

# Astronomy Educator Workshop

**When:** Feb. 1, 2019, 10 AM - 3 PM

**Where:** Gemini Observatory Lecture Hall

Celebrate & prepare for the 15th year of Journey Through the Universe on Hawai'i Island!

★ Department of Education District Superintendent Chad Farias will discuss East Hawaii's vision, commitment, & moving forward with Journey Through the Universe. School Renewal Specialist, Darrell Nekoba will provide insight into the Next Generation Science Standards.

★ Experience three stellar presentations for various ages from experienced Astronomy Educators: Mimi Fuchs, Julien Lozi, & Angelic Ebbers.

★ Brainstorm with teachers, Journey team members, & fellow Astronomy Educators on presentations & activities for upcoming Journey classroom visits.

**Lunch will be available for all participants.**

**Remote access via Zoom will be provided.**

Contact Alyssa, [agrace@gemini.edu](mailto:agrace@gemini.edu) to sign up.
