March 2 - 8, 2012

School:			Presenter Name:					
Your Name (opt):			Email(opt):					
Grade/Subj	Attended Educator Workshop		Position (circle one)					
	Yes	No	Teacher	Admin	Support Staff	Other		
Please rate your classroom visit on the following questions (4= strongly agree, 1 = strongly disagree)					4	3	2	1
1. The presentation contributed to student learning in Space Science, Technology and/or Science as Inquiry.								
2. The presenter successfully engaged students (students were attentive, asked questions, were excited, etc.) and effectively explained science concepts.								
3. The presenter used models, visual materials, and/or hands on activities to help explain concepts and engage students.								
4. The presentation was appropriate for this grade level- content and vocabulary supported student understanding.								
5. The presenter explained local career options in space science, using personal examples to encourage students.								
6. I would recommend this presenter for classroom visits next year.								
7. Comments/suggestions for the presenter:								
8. Comments/suggestions about <i>the Journey Through the Universe</i> program and its impact on student learning:								
I am interested in partnering with a local scientist to enrich my science curriculum in the 2012-2013 school year. If “yes”, please be sure to provide your name and email above.					Yes	No
