

Gemini North Minors' Release Form

NOTICE: No minors under the age of 16 are permitted in the Gemini North Telescope.

A parent, legal guardian or a pre-approved chaperone must accompany a minor travelling to the summit area. In no case will a minor be allowed to ascend to the summit area without a signed consent form from his/her parents and/or legal guardian and unless accompanied by the appropriate adult as aforementioned.

| CONSENT: I am the parent and/or legal guardian of | |
|---|-----------------------|
| and I have read this <i>Gemini North Visitor's Safety Information</i> and understand the risks associated with high altitude. I release AURA/Gemini Observatory and its personnel from any and all liability stemming from any consequence of my child or legal ward travelling to the Gemini Observatory. | |
