

# RESOLUTION AMENDMENT

---

Gemini Board Resolution 2019.B.14

Adopted February 14, 2020

## ORIGINAL RESOLUTION

**2019.B.14.** *The Board endorses the Observatory's plan to provide funds to KASI for IGRINS2 detector from future NSF contributions.*

## AMENDED RESOLUTION

**2019.B.14.** *The Board endorses the Observatory's plan to provide IDF funds to KASI for the purchase of three detectors for IGRINS2. KASI will provide the board with a written description of the work to be undertaken, and an invoice showing the cost of equipment to be funded through the IDF, before funds are used for this purpose. NSF intends to reimburse the IDF for the cost of these detectors, subject to the availability of funds.*

The purpose of this amendment is to specify the terms under which the Instrument Development Fund (IDF) may be used to support the development and construction of a new Immersion Grating Spectrometer (IGRINS2) by the Korea Astronomy and Space Science Institute (KASI). The amended resolution was approved by the Board on February 14, 2020.
