

# Gemini Observatory Science Meeting *20th Anniversary and Beyond*

Gemini Observatory invites its international user community to Seoul, Korea, for a celebration of 20 years of forefront access to the entire sky, and a preview of the even more exciting things to come. Hosted by the partnership's newest member, this special Science Meeting will feature the latest scientific results from Gemini, news on current instrumentation projects, updates on operations developments, fabulous dining, and lively discussion of Gemini's strategic plans for the coming decade. Come join us in Seoul!

June 21-25, 2020  
Seoul, Korea
