

Journey Family Event

When: Tuesday, March 5, 4 - 6 PM

Where: 'Imiloa Astronomy Center

Celebrate the 15th anniversary of Journey Through the Universe on Hawai'i Island and the 50th anniversary of the Apollo 11 Moon landing at 'Imiloa Astronomy Center! Experience the wonders of astronomy through these free interactive and educational activities:

★ Touch rocks from the Moon, Mars, and asteroids.

★ Navigate a giant Mars map with real robots.

★ Virtually explore previous and future landing sites for the Moon and Mars.

★ Talk story with local astronomers and NASA scientists.

Participation is limited to grades 4 - 8.
