

Astronomy Educator Workshop

When: Feb. 1, 2019, 10 AM - 3 PM

Where: Gemini Observatory Lecture Hall

Celebrate & prepare for the 15th year of Journey Through the Universe on Hawai'i Island!

★ Department of Education District Superintendent Chad Farias will discuss East Hawai'i's vision, commitment, and moving forward with the Journey Through the Universe program. School Renewal Specialist, Darrell Nekoba will share the results of our recent formal evaluation including positive impacts and lessons learned.

★ Experience three stellar presentations for various ages from experienced Astronomy Educators: Mimi Fuchs, Julien Lozi, and Angelic Ebbers.

★ Brainstorm with teachers, Journey team members, & fellow Astronomy Educators on presentations & activities for upcoming Journey classroom visits.

Lunch will be available for all participants.

Remote access via Zoom will be provided.

Contact Alyssa, agrace@gemini.edu to sign up.
